## Utility Contact Information

Below is a list of contact numbers for utility companies in our area. Please use these numbers for emergencies and to establish service prior to your move-in. Please remember that on the date of your move-in inspection, utilities must be transferred to your name and operating, as per your lease. A monthly utility charge will be assessed to your rental account if utilities are not transferred within 30 days of moving in.

	Emergencies/Repair	Establish Service
